Larry Lewis

Howdy Gang,

Just wanted to get in a few words to you this month. First off, we want everyone to know, we will not be meeting at the Millbrook Exchange park this month. Actually, we won't be meeting there ANYMORE at all! Kind of a long story, but the short version is, they expected us to provide ALL of our past and current financial reports, bank statements, etc etc. They also wanted the names, addresses, and phone numbers for EVERY member in our club.

AND,,,,,,yes there's an AND. They wanted us to donate a sizable amount of time in community service on their behalf! Of course, we would still be paying for the use of the room each month as well. Sorry folks, this was too much for anyone to do. We certainly had no intentions of giving them our financial records, so this month, we'll be meeting at the "Golden Corral" located just off Capital Blvd. If you're not sure where it is, it's at the intersection of Millbrook Rd. and Capital, behind the Olive Garden. We plan to start the meeting part at 7:30, but you might want to come earlier if you can, and enjoy the buffet line! Of course, you can still be eating while we discuss business to. I know I will!

We have LOTS to talk about this month, mainly the Fly for Tots. This is our last meeting before the event. Can you believe it? It's only one month away!!! From the looks of it, it's going to be bigger than last year. I know that the raffle prize list has already blown last years out of the water! We have a lot to get done before the event, and we need folks to start committing themselves to perform different tasks. We need cooks, concession workers, parking lot directors, stage builders, painters, etc etc etc. And of course, TICKET SALES volunteers. We have a LOT of tickets to move folks. Jacqui and I have already passed out several at the field, but need YOU to help out as well. As many of you know, raffle ticket sales makes up the biggest portion of our income for this event. We're not asking you to sale a hundred of them, but whatever amount you think you can. That might be 10, or 200. You decide. Anyway, we'll be passing out tickets to those who want to help out with that.

We still have many things to work out for the 2008 FFT, and we could sure use your input on how to make it all happen. So please, do make it out this Wednesday night.

-Larry
