Thoughts from the slipstream :

Well, FFT over for another year and, despite the weather and low turn out, STILL a massive success!!

Now to run our attentions to the rest of the year. I have still not heard from anyone in the club about taking over the Editor position...if you want to keep having a newsletter after December 31st 2011, someone needs to get in touch and take it over as I will be stepping down as of January 1st 2012. Give me a call on 919 238 9560 or email me at rcgeckoman@gmail.com to let me know you are interested in the post. There are still a few local flyins coming up so get out and fly! I know, I know..I need to be doing some of that as well!!! :)

Fly safe,

The ED
