

Custom Accessories for Metric Motorcycles

Belt Drive Conversion Kits

Convert your chain drive to a clean and efficient belt drive with Scootworks Belt Drive Kits. Our belt drive kits are easy to install, and are now available for the Kawasaki Vulcan 800A, 800 Classic, 800 Drifter; and the Honda VLX (VT-600), ACE 750, and Spirit 750. These kits are available in either a polished chrome or black rear pulley, and include a tension tester for adjusting your belt.. (Kits for other makes and models are in progress).

Rear Suspension Lowering Kits & Accessories

Scootworks pioneered the adjustable lowering kit for metric motorcycles. Lowering kits are available for select Kawasaki, Honda, Suzuki, and Yamaha motorcycles. Also available are hardtail kits, shock pre-load kits, front suspension lowering kits and spring compressor kits.

Wheel Conversion Kits, Wheel Covers & Wheel Accessories

Stand out in a crowd like never before! Now you can install custom wheels on your metric cruiser. Scootworks wheel adapter kits allow you to install wheels that were previously available only for that other U.S. made bike. Install brands like R.C. Components, Rev-Tec, Carriage Works, and many others. Also available are chrome wheel covers (left) to hide the spokes and make clean up easier.

Metric Chrome Fasteners

Chrome fasteners to dress up your bike. We have acorn, hex, and nylock nuts, hex, Allen and button head bolts, hole plugs & flat washers. There are hundreds to chose from.

Trunk & Saddlebag Mounting Systems

Saddlebag mounts for Drifter 800 (above) that don't move when your rear fender does. Tour pack trunks & trunk mounting systems (below) for Nomad and Vulcan 1500 Classic. Other makes and models under development.

Brake Pedals for drivers comfort and increased safety. These ergonomically designed brake pedals are beautiful and functional chrome additions to your cruiser. Currently available for Vulcan 800, Nomad, Vulcan 1500, and Drifter. Also in black for black Drifters. Chrome pads sold separately.

Ergonomic & Extended Brake Pedals/Pads
