

# Engine Guard Chaps

## Scotworks Deluxe Engine Guard Chaps

Scotworks Deluxe Engine Guard Chaps for various metric motorcycle and engine guard combinations. Engine guard chaps help keep the rider warmer in winter, dryer in wet weather, and provide no noticeable negative effects from wind resistance. These chaps have been rigorously tested over many thousands of miles in all types of weather. They are designed for long life, minimum maintenance, and are a perfect match for your cruiser. These chaps are built to Scotworks standards and specifications by local craftsmen.

Scotworks Deluxe Engine Guard Chaps installed on a 1999 Kawasaki Vulcan 800 Classic.

This photo demonstrates the protection you receive with our deluxe engine guard chaps. Protects your legs and feet from road spray and cold winds. Helps extend your riding season.

### Scotworks Deluxe Engine Guard Chaps features:

- *Constructed of heavy 1.2 mm thick fabric impregnated marine grade vinyl.*
- *Textured to match leather products usually found on motorcycles.*
- *Double stitching for durability in rugged use.*
- *Velcro frame attachments on each chap for secure and quick mounting.*
- *2" Velcro around the inside of all inner openings to prevent inflation and flapping at highway speeds.*

Scotworks Deluxe Engine Guard Chaps are available for the following motorcycles:

**Kawasaki-** Vulcan 800, Drifter 800 and 1500, Nomad, 1500 Classic

**Honda-** VLX, ACE 750, Aero, ACE 1100, Spirit 750

**Suzuki-** Intruder 1500LC, Volusia

**Yamaha-** Roadstar, V-Star 650, V-Star 1100

We are designing new chaps all the time, so check with us to see if we have engine guard chaps to fit your motorcycle.
